

REMARKS

Claims 12, 15, 16, and 21-24 rejected as being indefinite by use of the term "analog". Applicants respectfully disagree but have with the above amendment replaced the word "analog" with the word "derivative", which was not found to be objectionable in allowed claim 17.

The amendments put all the claims in condition to be allowed and therefore, the Applicant requests the same. The undersigned attorney can be reached at (312) 321-4276 to resolve any issues.

Respectfully submitted,
